Subject: Permanent Confidentiality Request for FCC ID: URG11A011

Dear Sir or Madam:

RadarFind Corporation respectfully requests that the following documents accompanying this application:

- ? Block diagram and operational description
- ? Circuit schematics
- ? Bill of materials

be made permanently confidential and withheld from public disclosure, in accordance with 47 CFR 0.457 and 47 CFR 0.459.

These documents contain trade secrets, the public disclosure of which would put RadarFind at a competitive disadvantage. Photographs of the interior of the product are especially sensitive. The product is ultrasonically welded shut; no access to or view of the circuitry, or the proprietary board layout, is possible without destructive disassembly.

Sincerely,

Chief Technology Officer
